

## **Align Aerospace Signed Agreements with AVIC HAIG and AVIC International Corporation for Aerospace Hardware Vendor-Managed Inventory (VMI) Service**

On November 2<sup>nd</sup> 2016, Align Aerospace signed agreements with AVIC HAIG and Avic International Corporation to provide Aerospace Hardware and Vendor-Managed Inventory (VMI) Service for AVIC HAIG's EC175 program production.

The Signing Ceremony was hosted at the venue of Airshow China in Zhuhai. Mr. Li Qifeng, Executive Vice President of AVIC International, Mr. Gu Haicheng, Vice President of AVIC HAIG, and Mr. Huang Yongfeng, General Manager of AVIC International Holding (Zhuhai) Co. Ltd. were present at the signing ceremony.

The implementation of the VMI project aimed at reducing overall production cost, and improving efficiency utilizing AVIC International's world class supply chain system.
